

## MESSAGE FROM THE PATRON-IN-CHIEF

Gen Bipin Rawat  
PVSM, UYSM, AVSM, YSM, SM, VSM, ADC

On the occasion of 35th Anniversary of Army Welfare Education Society, I compliment the faculty and staff of the Society for their continuous efforts in providing quality education to children of all ranks.

Empowerment of our children through their development into wholesome personalities is the need of the hour and I appreciate the dedication and commitment of Army Welfare Education Society for their contribution towards this noble cause. AWES endeavours play a major role in gradually building self-confidence of our children, enabling them to boldly face the mainstream challenges. The environment provided by our Schools and Colleges facilitates development of its students into positive contributors towards Nation building and consequently leading a fuller and enriching life.

I am sanguine that the Army Welfare Education Society fraternity world continue to selflessly devote themselves towards nurturing young minds into confident adults. I wish them all the best in all their endeavours.

I also wish to convey my appreciation to all those providing support to the overall development of children, understanding that their services are being utilized more for welfare, rather than their own personal well-being. Their salaries are remuneration for their willing contribution towards the development of future citizens of our nation and the need of the hour therefore is on dedication of their services with integrity.

"JAI HIND"

(Bipin Rawat)  
General
