

MESSAGE

FROM THE MANAGING DIRECTOR AWES

Maj Gen Sunil Chandra
VSM (Retd.)

1. *It gives me immense pleasure to convey my best wishes and greetings on the occasion of 33rd Anniversary of AWES. Ever since its inception in 1983, AWES has been imparting quality education to the wards of all ranks of the Army and justifying its motto "Quality Education at Affordable Cost".*
2. *Our professional institutions and schools are doing their best in achieving excellent academic results. Holistic growth in these institutions has helped our children for moving ahead in today's competitive world and National building. Our students have proved their mettle in all the spheres that contribute to the nation building. Imagination coupled with innovation has been the key area of our alumni. We have kept the pace with the technology and have been able to provide Smart classes and multimedia labs for realistic interaction in the class room. It is prudent to acknowledge that our formation commanders as Chairmen, of 'AWES schools and colleges are going beyond the call of duty to help these institutions to grow as centres of excellence in their respective stations.*
3. *Faculty Development & Research Centre at AWES has played yeoman role by continuous professional development to our Principals and Teachers and has been instrumental in empowering 1800 educators every year with latest trends in the field of education.*
4. *Finally, I wish to compliment the Principals and Teachers, who with their untiring efforts have made us proud. Well done and keep it up.*

Jai Hind!
