

MESSAGE FROM THE MANAGING DIRECTOR

Maj Gen Anil Khosla
AVSM, SM, VSM** (Retd)

- 1. It gives me immense pride to be a part of 36th Raising Day of AWES. Since the inception of AWES in the year 1983, we have grown in leaps and bounds and are striving to fulfill the purpose of Education, by attempting to impart desirable knowledge, understanding, skills, interests, attitudes and critical thinking to our learners.*
- 2. Knowledge is not finite, it's a continuous reconstruction of ideas, the repositories are evolving and each child's uniqueness plays an important role, making education a challenging profession. We are dealing with the emerging young minds and education is the only way to reach them. As has been rightly said by Albert Einstein "Education is what remains after one has forgotten what one has learned in school".*
- 3. The rigor of our students and educators helped us achieve great results. 88 APS alumni joined NDA/OTA in 2018. 15 APS Alumni have joined OTA Gaya and 29 joined NDA till the month of March 2019.*
- 4. Our Institutes have attained greater heights. Army Institute of Management & Technology (AIMT), Greater Noida is an ISO 9001:2015 certified Institute till May 2021. Army Institute of Law, Mohali is ranked 12th among the top 20 law colleges of the country and 2nd in the Top Private College, North Zone as per India Today Survey of 2018 and granted the accreditation of Grade 'A' by NAAC. AIT Pune has been ranked 91 by NIRF. -*
- 5. I congratulate and compliment the entire AWES fraternity for their continued dedicated efforts and hope for the same fervor and agility.*

Jai Hind!
