

MESSAGE
FROM THE MANAGING DIRECTOR

**Maj Gen PR Murali,
VSM (Retd)**

1. I consider it as an honour to be appointed as the Managing Director, Army Welfare Education Society. Education of our children is one of the prime aspects of welfare and we must work in unison to impart quality education to them at affordable costs.
2. NEP 2020 has thrown up many challenges as well as opportunities. I endeavor to use these opportunities for betterment of our organization.
3. We must focus on the following :-
 - (a) Align our teaching/learning process to support creativity and critical thinking in our children.
 - (b) Lay stress on foundational and preparatory stages to groom and nurture a child to his/her areas of strength and interest.
 - (c) Improve the infrastructure by fast tracking pending projects and necessary sanctions.
 - (d) Improve the school management and pedagogy through infusion of technology and hybrid learning.
 - (e) Upgrade our faculty through research and development pgmes and keep them updated and professionally competent.
 - (f) Bring in sufficient autonomy into our professional colleges so that they can focus more on the students academics and life skills.
4. I must also thank my predecessor, Maj Gen RK Raina, SM, PhD, for outstanding performance, initiative and various projects undertaken to align our institutions with the new policy which was duly acknowledged by CBSE. I also extend my greetings to the entire fraternity and request you all to have an open, frank and two way exchange of professional ideas so that we continue to grow as an organization which our Army and the Nation can be proud of.
