

MESSAGE
FROM THE MANAGING DIRECTOR

Maj Gen RK Raina
SM, Ph.D (Retd)

1. It is a matter of great pride and honour for me to be entrusted with responsibility of Managing Director, Army Welfare Education Society. I am conscious of the faith reposed in me by the organisation and my gratitude for having been bestowed this opportunity. I seek blessings of all to grant me vision, wisdom and the courage to execute my duties in the most unbiased and professional manner, to fulfill the purpose of Education in the Army. I pledge, to not only uphold the values of the Army Welfare Education Society, but also strive hard to enhance the rich traditions set by my predecessors.

2. I express my heartfelt gratitude for entire AWES fraternity for their valuable contribution in raising the organisation and I shall always look forward to their continued support and guidance. I also wish to place on record the outstanding performance of my predecessor, Major General Anil Khosla, AVSM, SM, VSM** (Retd) and thank him for handing me a cohesive, professionally sound & extremely motivated organisation. I wish him and his family all the best for their future endeavors.

3. I also extend my greetings to the entire AWES fraternity and wish them prosperity, happiness and good health. May 'GOD' continue to shower his benign blessings on us to face all challenges and achieve excellence in our future endeavors.

4. **Focus Areas.**

- (a) Focus on higher quality education and integrity into the system, given the disadvantageous status of our children.
- (b) Focus on macro management through coordination with various regulatory bodies. Reorient ourselves to the changing education policies, while retaining our uniqueness.
- (c) Ensure Integrity and Transparency of the education system in the Army.
- (d) Contribute to India's 'Vibrant Knowledge Society' through high quality education of the children of army personnel.
- (e) Upgrade our Faculty Research through continuous professional development, positive environment, duly integrated with high technology and exposure to Subject Matter Experts. Focus on improving cognitive and soft skills of our faculty.
- (f) Integration of our school education with the Institutes of higher learning.
- (g) Automation to stabilise 'Digi-Campus' and further add on to the academic vertical.
